

UPDATE-The 8th International Symposium on Meniere's Disease and Inner Ear Disorders

Conference Postponed to 2022,

Dear attendee of the 8th International Symposium on Meniere's Disease and Inner Ear Disorders,

As we all aware, given the public health risks associated with the COVID19 pandemic, it has been the subject of much ongoing discussion among the conference Organizing Committee, Advisory Committee members and all members of the committee. The health and wellbeing of all our members, patients and communities is always our first priority. After extensive and full discussion, the 8th International Symposium on Meniere's disease and inner ear disease Organizing Committee have decided to postpone our upcoming conference again , which scheduled to be held in Shanghai from April 21 to 24, 2022.

REVISED CONFERENCE DATE

We sincere regret to announce that the 8th International Symposium on Meniere's Disease and Inner Ear Disorders will postpone to year 2022. The revised conference date: **April,21-24, 2022, (SAVE THE DATE)**

CONFERENCE VENUE

The conference venue for the revised dates remains the same in **Shanghai International Convention Center** (2727 Riverside Avenue Pudong, Shanghai).
